PRINCIPAL'S MESSAGE

A new year dawns with countless new possibilities, endless opportunities and boundless new memories. You may have had some really good memories of the year past, but you never know what the new one is bringing for you. It's time to be hopeful, to have new dreams and make some new resolutions for the new year in your life. A new year is like a blank book. The pen is in your hands. It is your chance to write a beautiful story for yourself. I hope that the new year will be full of positivity for you. Remember all the good memories you have amassed and know that your life will be so full of wonders in the coming year. May all the best things in life come your way this year.

I hope that this new year will be the best year of your life. May all your goals be achieved, and all your plans be fulfilled. May this year bring new happiness, new goals, new achievements, and many new inspirations to your life, making your life richer and fruitful.

Life is a mix of ups and downs. Life's challenges are not supposed to paralyze you, they are supposed to help you discover who you are. Hardships of life make one learn how to adapt and thus, become a better person. Struggles and hardships will always be a part of being human. Every single day is a challenge, a challenge that must always be conquered. The German philosopher Nietzsche once said, "That which does not kill us, makes us stronger".

Wish you for a year filled with laughter, success and peace, my dear colleagues students and parents May God bless each and every one of us and our families. Happy New Year.

'Let bygones be bygones'. Act...act in the living presence'- William Wordsworth
